PRESS RELEASE

CEMENT TILES & CEMENTS MANUFACTURING UNITS ON THE VERGE OF CLOUSER – BBIA

An Urgent meeting of the Bari Brahmana Industries Association was held today under the Chairmanship of President ship of Sh. Lalit Mahajan in the presence of Sh. Tarun Singla Sr. Vice President, Sh. Ajay Langer Vice President, Sh. Virraaj Malhotra General Secretary, Sh. Rajesh Jain Secretary and Sh. Vivek Singhal Treasurer BBIA Association and other members to discuss the issue in respect of Ban Imposed on the Extraction of Lime Stone, Sand & Bajri by Geology & Mining Department due to which the Industrial Units engaged in the Manufacturing of Cement Tiles and other related Products facing acute problem.

It is pertinent to mention here that the Lime Stone, Sand and Bajri is the basic Raw Materials for the Units engaged in the manufacturing of Cement, Cement Tiles and other related products facing closer due to blanket ban imposed by the Geology & Mining Department on the extraction of Lime Stone, Stone Crushers due to the delay in the issuance of Environmental Clearance by State/Central Govt. agencies to the local Sons of the Soil who are earning their livelihood by extracting lime stone & stone crushing units and we fear that thousands of workers engaged in the cement manufacturing units may face retrenchment in near future & due to closer of Lime Stone Mines & stone crusher resulting all sort of civil construction work of State/Central Govt. may suffer very badly in near future.

It is worthwhile to mention here that the Geology & Mining Department has imposed a blanket ban on the extraction of Lime Stone, Sand & Bajri without giving breathing period to the Lime Stone mine owners & Stone Crusher Units to obtain the requisite clearance from the various Govt. agencies.

BBIA appeals to His Excellency Lt. Governor of J&K Sh. Girish Chandra Murmu to kindly intervene in to the matter and issue necessary directions to Geology & Mining Department to provide at least six month period to the owners of Lime Stone mines and stone crusher units for obtaining necessary permission from the concerned authorities which will provide great relief to industrial units & general public also.

For Bari Brahmana Industries Association

Lalit Mahajan
President
